

Events and Festival Management

Planning, co-ordinating and successfully delivering events can be a diverse and complex business. Nationwide Services have a proven track record in working with event and festival organisers delivering timely, reliable and flexible solutions.

We work throughout the UK, with a network of quality supply partners and pride ourselves on excellent customer service.

Our fully Managed Site Services have proven particularly useful for event and festival managers who have to co-ordinate a diverse range of activities to deliver a successful event. We can take the pressure away by managing multiple suppliers, equipment deliveries, installations and end of event site clearance on your behalf.

Whether you are organising a track and field event, a film or music festival, a charity run or any other special event, we have the commitment, expertise and flexibility to deliver.

Contact our experienced team now to discuss your requirements.
