

## Plant Hire & Portable Accommodation

At Nationwide Services, we have developed a dedicated division for plant hire and portable site accommodation to service our customers' requirements on a national basis.

We pride ourselves on our ability to source, supply and manage any plant hire requirement, wherever and whenever you need it, at a cost effective price.

From diggers and forklifts to our extensive range of portable site accommodation and secure storage, our professional team is on hand to give you advice and on-site support at delivery, installation and completion stage.

Find out more about our fully managed services and Eco-Future range of portable offices, toilets, welfare and storage.
